COUNTY promotes resilience in and recovery of the clients it serves. COUNTY supports a system of care that promotes and sustains a client's recovery from a mental health condition by identifying and building upon the strengths and competencies within the person to assist them in achieving a meaningful life within their community. Consistent with these values, AGENCY shall:

- ii) Accept clients for treatment on the same basis that AGENCY accepts other clients and render services to clients in the same manner as provided to AGENCY's other clients. c. Third Party Resources and Coordination of Benefits

AGENCY shall bill and collect from liable third party resources prior to billing COUNTY. If both the third party resource and COUNTY reimburse AGENCY for the same service, COUNTY shall be entitled to a refund for the exact amount of duplicate payment received by AGENCY.
