- Todos Juntos, Inc.** (SUBRECIPIENT) is a not-for-profit organization whose mission is to develop the partnerships necessary to create and/or enhance local resources and services for all youth and families. Todos Juntos partners with schools, local law enforcement, county agencies and others to deliver a range of challenging, age-appropriate programs in a safe, structured, and positive environment, including academic skills enhancement, alcohol and drug education and prevention, culturally focused activities, gender-specific programs, leadership and youth development programming, parent education, peer mediation, recreation/sports activities, restorative justice, supervised community service and service learning, and truancy prevention.
- Clackamas County (COUNTY) desires to work with **Todos Juntos Inc.** to promote youth academic success and reduce high risk behaviors that could lead to drop out and/or juvenile justice system involvement.
- Project description: PreventNet Community School System was created in 2001 as a community/school-based service system. It improves outcomes for high-risk youth and their families by creating a web of support among schools, non-profit agencies (in this case, Todos Juntos Inc.), community members, local businesses, and local government. These evidence-based prevention

and early intervention services are provided in the schools, both during and after hours to increase youths' protective factors by building nurturing relationships with positive adult role models, improving attachment to school, building leadership and problem-solving skills and reduce risk behaviors such as poor school performance, truancy, alcohol and drug use, negative peer association, etc.
