BACKGROUND:

Oregon law (ORS 418.746-418.796) requires that every county utilize a multidisciplinary approach to child abuse intervention. In 1989, the law specified that every county create a multidisciplinary team (MDT) that is coordinated through each county's District Attorney's office.

The legislature recognized then, as it does still today, that identifying and responding to child abuse is complicated and thus requires complex collaboration and consistent team work in order to address child abuse situations adequately. (Grant Handbook, Page 5)

Clackamas County has received funding from the State of Oregon for Child Abuse Multi-Disciplinary Intervention (CAMI) since at least 2005. CAMI funds are intended for the ongoing support of community child abuse intervention centers (ORS 418.790 through 418.792) and for the development and maintenance of child abuse multidisciplinary teams (ORS 418.745 through 418.747).

RECOMMENDATION:

I respectfully recommend that the Board approve the attached 2015-2017 State Child Abuse Multidisciplinary Intervention (CAMI) Grant Program Award between Clackamas County, acting by and through its District Attorney's Office and the State of Oregon, acting by and through its Department of Justice.

Respectfully submitted,

Otherwise, an Annual Report, through CVSD E-Grants, will be due no later than 90 days after the final payment of the fiscal year (July, 2016 and July, 2017). Grantor reserves the right to request further information in accordance with the need to compile annual program service and financial information.

Section 5.06. Criminal History Verification. Grantee shall obtain a criminal history record check on any employee, potential employee or volunteer working with victims of crime as follows:

Grantee shall determine after receiving the criminal history check whether the employee, potential employee or volunteer has been convicted of one of the crimes described in this Section, and whether based upon the conviction the person poses a risk to working safely with victims of crime. If Grantee intends to hire or retain the employee, potential employee or volunteer, Grantee shall confirm in writing the reasons for hiring or retaining the individual. These reasons shall address how the applicant/ employee/volunteer is presently suitable or able to work with victims of crime in a safe and trustworthy manner, based on the policy or procedure described in the preceding paragraph of this Section. In particular, but without limiting the generality of the foregoing, Grantee shall permit Grantor's Child Abuse Multidisciplinary Intervention Account coordinator to attend case staffings, confidential proceedings and other meetings related to services financed with Grant moneys as Grantor deems reasonably necessary to monitor Grantee's use of the Grant moneys.

If a party's default is not cured within fifteen (15) days of written notice thereof to the other party (or such longer period as the notifying party may authorize in its sole discretion), the notifying party may pursue any remedies available under this Agreement, at law or in equity. Such remedies include, but are not limited to, termination of this Agreement, return of all or a portion of the Grant moneys, payment of interest earned on the Grant moneys, and declaration of ineligibility for the receipt of future CAMI Account awards. If, as a result of Grantee's default, Grantor demands return of all or a portion of the Grant moneys or payment of interest earned on the Grant moneys, Grantee may, at Grantee's option, satisfy such demand by paying to Grantor the amount demanded or permitting Grantor to recover the amount demanded by deducting that amount from future payments to Grantee from Grantor. If Grantor

terminates this Agreement as a result of Grantee's default, Grantee shall return all unexpended funds to Grantor. The parties shall engage in nonbinding discussions to give the alleged defaulting party an opportunity to present reasons why it believes it is not in default or that the default is not material and give the notifying party an opportunity to withdraw its notice. The parties may also negotiate an appropriate resolution of the default, including without limitation the amount of any misexpended funds.

SECTION 7 MISCELLANEOUS

Section 7.01. No Implied Waiver, Cumulative Remedies. The failure of Grantor to exercise, and any delay in exercising any right, power, or privilege under this Agreement shall not operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other such right, power, or privilege. The remedies provided herein are cumulative and not exclusive of any remedies provided by law.

Section 7.02. Governing Law; Venue; Consent to Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit, or proceeding (collectively, "Claim") between Grantor (or any other agency or department of the State of Oregon) and Grantee that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within a Circuit Court of the State of Oregon of proper jurisdiction. THE PARTIES, BY EXECUTION OF THIS AGREEMENT, HEREBY CONSENT TO THE IN PERSONAM JURISDICTION OF SAID COURTS.

Section 7.03. Notices. Except as otherwise expressly provided in this Agreement, any communications between the parties hereto pertaining to this Agreement or notices to be given hereunder shall be given in writing by personal delivery, facsimile, or mailing the same, postage prepaid to Grantee or Grantor at the address or number set forth on page 1 of this Agreement, or to such other addresses or numbers as either party may hereafter indicate pursuant to this section. Any communication or notice so addressed and mailed shall be deemed to be given five (5) days after mailing. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine. Any communication or notice by personal delivery shall be deemed to be given when actually delivered.

Section 7.04. Amendments. This Agreement may not be waived, altered, modified, supplemented, or amended in any manner except by written instrument signed by both parties or as described and certified through CVSD E-Grants.

Section 7.05. Subcontracts, Successors and Assignments.

a. Grantee shall not enter into any subcontracts for any of the Project activities required by this Agreement without Grantor's prior written consent. Grantee shall require any subcontractors to comply in writing with the terms and conditions of this Agreement and provide the same assurances as the Grantee must in its use of Oregon Criminal Fines Account or General Funds. Grantor's consent to any subcontract shall not relieve Grantee of any of its duties or obligations under this Agreement.

b. This Agreement shall be binding upon and inure to the benefit of Grantor, Grantee, and their respective successors and assigns, except that Grantee may not assign or transfer its rights or

obligations hereunder or any interest herein without the prior consent in writing of Grantor.

Section 7.06. Entire Agreement. This Agreement constitutes the entire agreement between the parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement.

Section 7.07. Contribution and Indemnification.

- (a) If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.
- (b) With respect to a Third Party Claim for which the Grantor is jointly liable with the Grantee (or would be if joined in the Third Party Claim), the Grantor shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Grantee in such proportion as is appropriate to reflect the relative fault of the Grantor on the one hand and of the Grantee on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the Grantor on the one hand and of the Grantee on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Grantor's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the Grantor had sole liability in the proceeding.
- (c) With respect to a Third Party Claim for which the Grantee is jointly liable with the Grantor (or would be if joined in the Third Party Claim), the Grantee shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Grantor in such proportion as is appropriate to reflect the relative fault of the Grantee on the one hand and of the Grantor on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the Grantee on the one hand and of the Grantor on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Grantee's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.
- (d) Alternative Dispute Resolution. The parties should attempt in good faith to resolve any dispute arising out of this agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the

agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

- (e) Indemnification by Subcontractors. Grantee shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Grantee's contractor or any of the officers, agents, employees or subcontractors of the contractor("Claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims.
- (f) Subcontractor Insurance Requirements. Grantee shall require its first tier contractor(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS on Exhibit C, attached hereto and incorporated by reference herein, and meeting the requirements under ADDITIONAL INSURED, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the contractors perform under contracts between Grantee and the contractors (the "Subcontracts"), and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to Grantor. Grantee shall not authorize contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, Grantee shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Grantee shall incorporate appropriate provisions in the Subcontracts permitting it to enforce contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall Grantee permit a contractor to work under a Subcontract when the Grantee is aware that the contractor is not in compliance with the insurance requirements. As used in this section, a "first tier" contractor is a contractor with which the Grantee directly enters into a contract. It does not include a subcontractor with which the contractor enters into a contract.

Section 7.08. False Claim Act. Grantee will refer to the Grantor any credible evidence that a principal, employee, agent, sub-grantee contractor, contractor or other person has submitted a false claim under the False Claims Act (31 USC 3729-3733; ORS 180.750-180.785) or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity or similar misconduct involving funds provided under this Agreement.

Section 7.09. Time is of the Essence. Grantee agrees that time is of the essence with respect to all provisions of this Agreement that specify a time for performance; provided, however, that the foregoing shall not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this Agreement.

Section 7.10. Survival. All provisions of this Agreement set forth in the following sections shall

survive termination of this Agreement: Section 3.03, Unexpended Grant Moneys; Section 5.09, Records and Inspection; and Section 7, MISCELLANEOUS, and any other provisions that by their terms are intended to survive termination of this Agreement.

Section 7.11. Counterparts. This Agreement may be executed in several counterparts, all of which when taken together shall constitute one agreement binding on all parties, notwithstanding that all parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.

Section 7.12. Severability. If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.

Section 7.13. Relationship of Parties. The parties agree and acknowledge that their relationship is that of independent contracting parties and neither party hereto shall be deemed an agent, partner, joint venturer or related entity of the other by reason of this Agreement.

Section 7.14. Headings. The section headings in this Agreement are included for convenience only, do not give full notice of the terms of any portion of this Agreement and are not relevant to the interpretation of any provision of this Agreement.

Section 7.15. No Third Party Beneficiaries. Grantor and Grantee are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the dates set forth below their respective signatures.

Advocacy services include, but are not limited to, protective services, intervention advocacy, prevention advocacy and professional training and education, all as described below:

Protective Services means activities that are required to protect the child, prevent future abuse, and support the healing process associated with the abuse or neglect related trauma.

EXHIBIT C
SUBCONTRACTOR INSURANCE REQUIREMENTS

A. REQUIRED INSURANCE. Subcontractor shall obtain at Subcontractor's expense the insurance specified in this section prior to performing under this Agreement and shall maintain it in full force and at its own expense throughout the duration of this Agreement. Subcontractor shall obtain the following insurance from insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to Grantor.

i. **WORKERS COMPENSATION.** All employers, including Subcontractor, that employ subject workers, as defined in ORS 656.027, shall comply with ORS 656.017 and shall provide workers' compensation insurance coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2).

ii. **EMPLOYERS' LIABILITY.**

Required by Agency **Not required by Agency.**

If Subcontractor is a subject employer, as defined in ORS 656.023, Subcontractor shall obtain employers' liability insurance coverage.

iii. **PROFESSIONAL LIABILITY**

Required by Agency **Not required by Agency.**

If in the conduct and implementation of the Subcontract, Subcontractor provides professional advice or services, Subcontract shall obtain and maintain Professional Liability Insurance in a form and with coverages that are satisfactory to the State covering any damages caused by an error, omission or any negligent acts related to the professional services to be provided under this Agreement.

iv. **COMMERCIAL GENERAL LIABILITY.**

Required by Agency **Not required by Agency.**

Subcontractor shall obtain and maintain Commercial General Liability Insurance covering bodily injury, death, and property damage in a form and with coverages that are satisfactory to the State. This insurance shall include personal injury liability, products, and completed operations. Coverage shall be written on an occurrence basis.

v. **AUTOMOBILE LIABILITY INSURANCE: AUTOMOBILE LIABILITY.**

Required by Agency **Not required by Agency.**

If in the conduct and implementation of the Subcontract, Subcontractor provides

transportation for or transports individuals in automobiles, Subcontractor shall obtain and maintain Automobile Liability Insurance covering all owned, non-owned, or hired vehicles. This coverage may be written in combination with the Commercial General Liability Insurance (with separate limits for "Commercial General Liability" and "Automobile Liability").

B. ADDITIONAL INSURED. The Commercial General Liability insurance and Automobile Liability insurance required under this Agreement shall include the State of Oregon, its officers, employees and agents as Additional Insureds but only with respect to Subcontractor's activities to be performed under this Agreement. Coverage shall be primary and non-contributory with any other insurance and self-insurance.

C. "TAIL" COVERAGE. If any of the required professional liability insurance is on a "claims made" basis, Subcontractor shall either maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of this Agreement, for a minimum of 24 months following Subcontractor's completion and Grantor's acceptance of all performance required under this Agreement. Notwithstanding the foregoing 24-month requirement, if Subcontractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then Subcontractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace for the coverage required under this Agreement. Subcontractor shall provide to Grantee or Grantor, upon Grantee or Grantor's request, certification of the coverage required under this Exhibit C.
