BACKGROUND:

The Clackamas County Behavioral Health Division (BHD) of the Health, Housing & Human Services Department (H3S) requests the approval of a revenue Intergovernmental Agreement (IGA) with Multnomah County, Health and Human Services Division. This IGA provides a Regional Prevention Coordinator for Clackamas, Washington and Multnomah Counties. The coordinator also oversees the GTTH website.

This IGA is effective July 1, 2015 and terminates on June 30, 2016. This IGA has a maximum value of \$25,870.89. The IGA was reviewed and approved by County Counsel on August 1, 2016

This IGA is retroactive as the BHD mistakenly thought an IGA was executed by another county involved. The mistake was discovered when BHD attempted to collect the revenue. Further delay was caused by negotiation and navigation of the new structure for Multnomah County’s centralized contracts unit.

RECOMMENDATION:

Staff recommends the Board approve this Intergovernmental Agreement and authorizes Richard Swift, H3S Director to sign on behalf of Clackamas County.

Respectfully submitted,

Richard Swift, Director
Health, Housing and Human Services Department
