WES has found that it is in its interest to amend the RFP through the issuance of this Addendum #1. Except as expressly amended below, all other terms and conditions of the original RFP shall remain unchanged.

1. To ensure clarity as to expectations, WES will offer a non-mandatory site tour of two (2) of the three (3) facilities.

This tour will take place on December 13, 2017, beginning at 8:00 am.

The two (2) facilities to be visited will be:

1. Kellogg Creek Water Resource Recovery Facility (Kellogg) located at 11525 SE McLoughlin Blvd, Milwaukie, OR 97222
2. Tri-City Water Pollution Control Plant (Tri-City) located at 15941 S. Agnes Avenue, Oregon City, OR 97045

Photos and descriptions of the Hoodland Sewage Treatment Plant (Hoodland) located at 24596 E. Bright Avenue, Welches, OR 97067 will be provided.

Attendance at the tour is optional; bids may be submitted without prior attendance at the tour. Please contact Kimberly Boswell, kboswell@clackamas.us, 503-742-5453 by November 12, 2017 if you wish to attend, so that nametags may be prepared for your walk-through of the facilities.
