3. 7:00 pm Urban Service Delivery from the Special Districts Perspective—  
Kim Anderson, Sunrise Water Authority/Lee Moore, CRW  
For the past several months, C-4 has been discussing the issue of Urban Service delivery and how Clackamas County can best meet the needs of its citizens and businesses while accommodating growth over the next 50 years. In March, the committee heard from Metro representatives on the Urban Growth report and its impact on the region. In April, C-4 heard a presentation from the county on the service it provides to its cities, urban unincorporated and rural areas. This month, the group will hear from Special Districts and how they touch areas of the county. In August, you'll hear from cities who provide urban services to incorporated areas within the County and the associated partnerships that exist.
4. 7:45 pm 2010 Interim Legislative Meetings Recap— Jim Austin
5. 8:00 pm JPACT/MPAC/Reserves Update— Charlotte Lehan, Donna Jordan
6. 8:10 pm “One Minute Update” Roundtable—All  
Question: Now that C-4 has been discussing urban service delivery and accommodating future growth in the region and the county, what do you think would be the most productive focus for our retreat work and to build the C-4 work program for next year?
7. 8:30 pm Adjourn
