2. The Fair Board will have security personnel on the grounds and will use every reasonable precaution for the protection of persons, exhibits, livestock, and other property, but will not be responsible for injury, loss or damage by theft, fire or otherwise. The Fair Board will give assistance toward recovery of losses, but will not

3. No person or group shall be allowed to sell or give away articles, distribute or circulate information, advertising or petitions without permit to do so. No canvassing, soliciting, or dissemination of written or other materials shall be permitted on the Fairgrounds either during the Fair or prior to the commencement of the Fair, except by persons exhibiting as permittees under exhibit space agreements and whose permit for the privilege shall have been paid for and a receipt therefore issued. Any person who has a permit to sell or give away articles, or distribute or circulate information shall forfeit his right in said permit if they sell or give away articles, or distribute or circulate information not agreed to in said permit or in any location not specifically authorized by said permit; and may, at the discretion of the Fair Board be removed from the Fairgrounds.
4. Exhibitors of animals, machinery in motion, or other exhibits liable to occasional accidents, injury or damage to persons coming in contact with them, shall guard their exhibits and protect the public from coming in contact therewith. Every such exhibitor shall indemnify the Fair Board from and against all claims and demands, costs, charges and expenses which it may incur, suffer or be put to by reason of any exhibit not properly guarded or the public not being properly guarded there from.
5. Under no circumstances will articles be allowed which are offensive by reason of their odor or appearance, which are dangerous by reason of their exposure or combustible character or which cause loud noise sufficient to be distracting or disturbing to fairgoers or nearby booths or exhibitors. The Management reserves the right to order the elimination or reduction of noise as required to protect fairgoers or nearby booths or exhibitors.

ENTRIES AND EXHIBITS:

13. Most exhibits must be in place by 8:00 pm Monday, the day before the Fair. **CHECK INDIVIDUAL DEPARTMENT RULES FOR DEADLINES.** Entries will be accepted until closing deadline or until capacity of the

Department is reached. Late entries accepted only if deemed in the best interest of the Fair and with the permission of the management. Management shall reserve the right to limit entries to facilities available and may limit the number of entries made by an exhibitor. In the case of Public Competition livestock, Clackamas County exhibitors will be given preference. Entries will be accepted from out of county residents only if adequate space is available.

14. SPECIAL ATTENTION SHOULD BE GIVEN TO THE **FULL COMPLETION** OF ENTRY FORMS. Exhibitor's name, complete mailing address, unique four digit identification number, and date must be clear on each entry form. Please print or write legibly. Complete class and lot numbers as shown in Exhibitor's Handbook. If you need help with your entry, fair personnel will be available on entry day to assist you.
15. If it is ascertained that an exhibit or animal is entered in a division or class in which it does not properly belong, the Superintendent will correct the entry and place the exhibit in the correct classification. Responsibility for correct entry, however, rests with the exhibitor. **CHECK CLASS AND LOT NUMBERS CAREFULLY.** Wrong class or lot numbers appearing on entry forms may lead to disqualification and loss of premiums.
16. Entries must be submitted on an official Clackamas County Fair entry form or photo copy of original form and **REQUIRED ENTRY FEES MUST ACCOMPANY SUBMISSION OF ENTRY FORMS.** See individual departments for required fees. No fees will be refunded.
17. **Entries are made at the Fair Office, 694 N.E. 4th Ave., Canby, OR 97013,** or with the superintendent or clerk of the department in which entry is to be displayed according to the rules governing each department. Use separate entry form for each department.

Only products of present year are eligible for exhibition unless otherwise noted in Department Rules.**
20. No person shall be allowed to enter for competition more than one specimen in any section or lot of a class, except where otherwise mentioned, unless the additional article be of a distinctly different variety or pattern from the first. These rules apply to all kinds of agriculture and horticulture products, manufactured or handcrafted articles, etc., to which each additional specimen would be precisely similar to the first, but does not apply to animals. **ONLY ONE PREMIUM PER LOT ALLOWED UNLESS OTHERWISE NOTED IN DEPARTMENT RULES.**
21. Every exhibit must be entered under one of the headings of this premium list. No new or extra classes will be set up except by permission of the Fair Manager unless otherwise noted in Department Rules. Violators of this rule shall be excluded immediately from the judging ring or area and from the competition, and be subject to such additional penalties, including forfeit of awards, as the management shall consider proper. All officials or judges are required, and exhibitors are requested, to report any violation of this rule to the fair management.
28. No person shall act as a judge in any division in which he or a member of his immediate family is an exhibitor.
29. The judge shall award first, second, third place, etc., according to merit, and if without merit the judge shall at his discretion make no award, but shall give explanation of why no award was made. This rule applies whether there are one or more entries in the section.
30. The judge's decision shall be final and no appeal will be considered except in case of protest to the Fair Board (see Rule 9).
31. The judge shall disqualify or transfer to the correct section or lot (at his discretion) any animal or exhibit which is not a true representative of the class or section in which it is entered. The judge may disqualify any exhibit not of show quality. The judge may disqualify any animal that is not sufficiently gentle to be shown with safety.

SUPERINTENDENTS:

32. Each Superintendent, under the direction of the management, shall have full charge of the department to which he may be assigned, and exhibitors must follow his direction relating to placing of exhibits, showing, etc. Each superintendent, under consent of management, may at his discretion exclude any exhibit he deems inappropriate because of quality, content, condition or otherwise unworthy.
33. The superintendent will direct the calling of classes for showing, in accordance with printed schedule as far as practicable.
34. The superintendent has the right to request certificates of registration and transfer, and may require affidavits if deemed necessary to enforce **Rule No. 19**.
35. The superintendent may examine entry forms or books in the Fair Office but no entry books or forms shall be permitted to leave the Fair Office excepting as absolutely required to conduct judging of exhibits. Superintendents are absolutely responsible for the safe keeping of entry records while the records are in their possession. The superintendent will make every effort to see that each exhibit is placed in the classification or lot where it properly belongs and will assist the exhibitor with his entry to accomplish this end. However, the superintendent shall not be held responsible for finding errors in entries, although such an error should be corrected if discovered.
36. The superintendent shall see that awards are correctly entered on the awards sheets, checking all numbers, have each book signed by the judge, attach his signature of approval, and when completed RETURN BOOKS TO THE FAIR OFFICE.
37. Superintendent shall be responsible for orderly release of exhibits in his department. Non-livestock department superintendents will verify by checking exhibitor claim tickets to be certain that each exhibit is returned to its proper owner.

42. Prizes will be paid to winners in Premium list classes only.
43. No premium will be awarded because there is no other competition in the lot. If the article is not deemed worthy of a 1st place premium, it may be awarded a lesser premium. No animal or article deemed unworthy shall be awarded a premium, but no premium shall be withheld merely because there is no competition.
44. Any error in recording, or premiums awarded, caused by oversight shall be subject to correction within 30 days of close of fair.
45. SPECIAL AWARDS OR SWEEPSTAKES AWARDS unless otherwise noted in the department rules will be as follows: 1st award 5 points; 2nd award 3 points; 3rd award 1 point (if any). In the case of a tie, the exhibitor with the most blue ribbons shall be the winner. IF THE TIE CONTINUES (after considering the blue ribbons) awards shall be determined as follows: If the premium is a trophy or any other award except a cash prize, the exhibitors, tied for the award shall draw lots, the winner being awarded the premium. If the premium is a cash prize, the money shall be divided equally between the exhibitors concerned. The next lower cash premium, if any, offered in the class shall be added to the premium for which the entries are tied and THEN the division shall be made equally. Second place will not be awarded.
46. SPECIAL AWARDS, which are noted throughout the Handbook, are donated by merchants and organizations and are a valuable added incentive to our premium award.
