It exists as a community icon.

## DeBruin Property

### Oregon White Oak

This Oregon White Oak is located on farmland and along SE Horseshoe Drive in Eagle Creek.

The tree species is slow growing and at maturity can reach up to 70 feet with a life-span of 95 to 135 years.

The exact age of the tree is unknown, but is believed to be approximately 100 years old. The tree is approximately 80 feet high with a 96-foot canopy – larger than the typical specimen.

This tree qualifies under the Heritage Tree categories of specimen and landmark.
