**Health:** Good

## Significant Features

A healthy specimen in the local area.

## Lund Property

### Black Walnut Tree

The black walnut tree is a notable feature in the neighborhood. Oak Grove Elementary school is located across from the property and the tree has been part of the school kids experience for decades. An access path back into the neighborhood leads beneath the tree's limbs.

Black walnut trees can have a typical height of 70 to 150 feet. With a diameter of 2-4 feet. The canopy of the smallest tree is estimated to be 50 feet.

This black walnut tree is nominated and approved under the Heritage Tree categories of specimen and landmark.
