No animal which shows evidence of any infectious, contagious or communicable disease or any unsightly condition shall be admitted or allowed to remain on CCF grounds. CCF management reserves the right to require health inspections, diagnostic tests, treatments and/or other animal health measures or procedures which might become necessary in emergencies at the owner's expense.

Department Superintendents of sheep, goat, beef, dairy cattle, swine and llama departments shall collect copies of all Certificates of Veterinary Inspection (CVI) and submit them to the Livestock Office. ### **OREGON ANIMALS**

No animal(s) from herds or flocks under summary quarantine by authority of the Oregon Department of Agriculture may be exhibited without prior permission from the Oregon State Veterinarian's office.

Oregon exhibitors at the Clackamas County Fair who have exhibited or traveled with their animals out-of-state may be required to provide copies of CVIs to prove their animals(s) left the state and returned legally. Please call the Oregon Department of Agriculture (503-986-4680) for further details.

As the animal's owner, you are responsible for being aware of and complying with the regulations when you take your animals(s) into another state. Your veterinarian can help you with this process.

### **OUT- OF - STATE ANIMALS**

There are both state and federal regulations regarding shipment of livestock and other animals across state lines. Most regulations are related to efforts to prevent, control or eradicate animal diseases. Some are to prevent livestock theft.

Exhibitors from other states must provide a CVI and an Oregon Import Permit to prove their animals(s) met Oregon's import requirements to be shown at the Clackamas County Fair. Any animal not legally in Oregon will not be allowed on CCF grounds and will be reported to the State Veterinarian.

This applies to branded or unbranded livestock.

Out-of-State Exhibitors: Each exhibitor transporting cattle or horses must be accompanied by a current brand document issued from the state of origin upon entering the state of Oregon. This applies to branded or unbranded animals.
